Hello Bill,

Would it be possible to receive an exemption from the Council Office to work during the holiday moratorium?

The team is waiting to hear back on the slip test results this week, and considering the moratorium approaching, an exemption may be needed so the tiles can be installed during that time and avoid safety concerns with the wood cut outs.

I was told by Austin with LADOT, that an exemption comes from the Council Office.

Please let me know if you need any information.

Thanks
